

Car Keys Song

words and music ©1981 Jane Best

Jesus, you gave me living water (x3)
And I'll never thirst,
I'll never thirst again.

Jesus, you washed my sins away (x3)
And I'll never be
Under that burden again.

Jesus, you came to live within me (x3)
And I'll never be
All alone again.

*While waiting for Paul at the subway,
tired and grouchy, but remembering
I should always give thanks!*
