

## Epiphany Song (Constant Love)

*Lyrics by Della Passi and Jane Best*

*Music ©2008 Jane Best*

Gather, you hearts that beat for God!  
Join us as we celebrate  
How many saints faithfully trod  
Where now we gather and congregate,  
Embracing our Father's love.

Working in us, God's pow'r does more  
Than we imagine or ask.  
Flowing to us, wonderful grace  
Fills us and fits us for ev'ry task,  
Imbued with our Father's love.

Jesus is now our friend and guide.  
We gather here for his feast.  
He'll nourish us, heal and instruct,  
Then he'll use us as his living yeast,  
Each spreading our Father's love.

Your loving-kindness, ev'ry day,  
Helps us keep Your church alight,  
Sharing Your love, with willing hearts,  
For in Your presence we all delight,  
Embraced in our Father's love.

Embraced in our Father's constant love, (echo)  
Embraced in our Father's constant love, (echo)  
Embraced in our Father's love. (Your love.)

*I was invited to write a song for the 125th anniversary of the  
Church of the Epiphany, Sudbury ON, and then collaborated with  
Della to write the words.*
