

Refuge

Words and music © 2006 Jane Best based on Psalm 16

You have made known to me the path of life,
Filling me with joy in your presence,
Pleasures forever at your right hand.
You are my refuge, O Lord.

I have set the Lord always before me.
You are at my right hand-
I shall not be shaken.
Therefore my heart is glad, and I rest secure.
You will not abandon me to the grave.

You have made known to me the path of life,
Filling me with joy in your presence,
Pleasures forever at your right hand.
You are my refuge,
You are my refuge,
You are my refuge, O Lord.

*Written with prayer in my heart for my friend Angela
and my friend Ben, who each had beloved sisters
struggling with cancer.*
